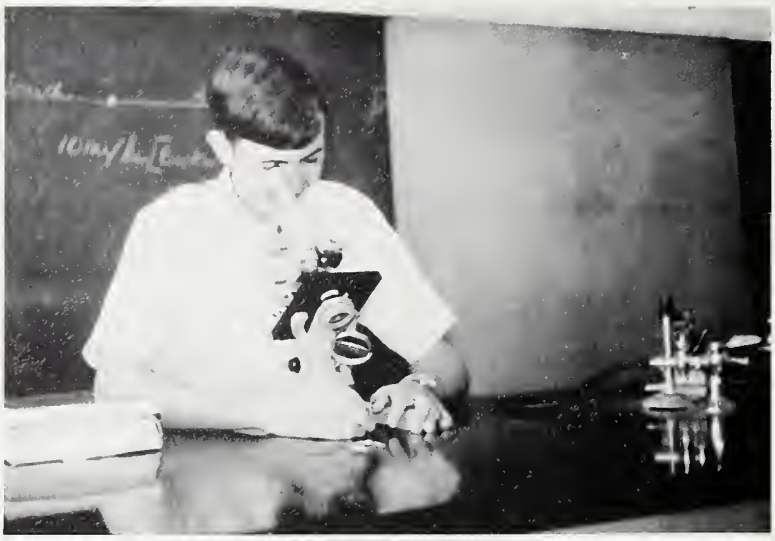
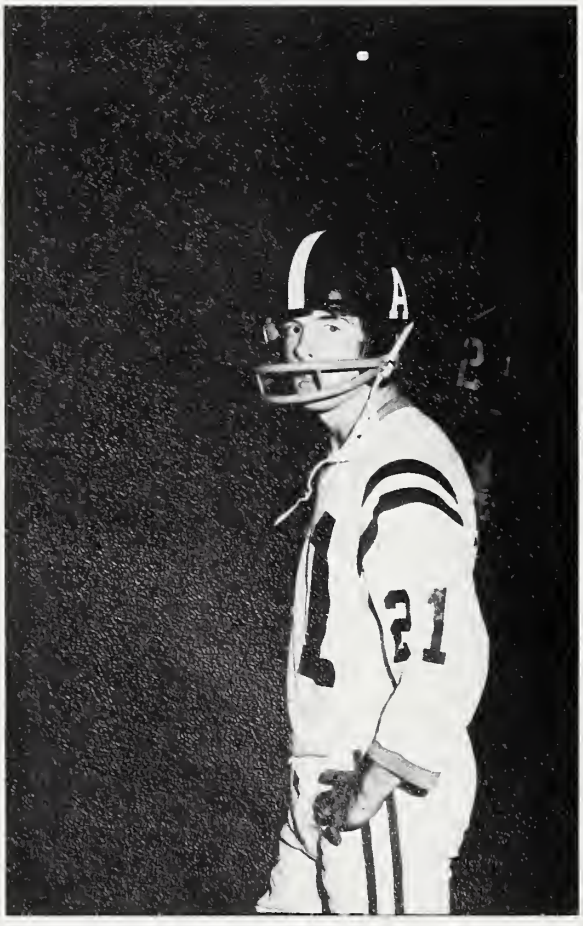
Miss Maria Brown -

STOP



A house is not a home
A campus is not a high school
The people make the difference
. . . . . all the difference in the world



A completely unique experience
Filled with memories
Happy
And sad

Some places make it
Some do not
This is Ayden High School

Youth—energetic, curious, questioning.

Young people, who with open eyes and innocent hands, reach out of the ignorant darkness, searching for truth and goodness, only to clutch the polluted air.

People who have untried solutions for unsolved problems, but an earnest desire for the happiness and contentment of all mankind.

This peace, this happiness, is but a dream reflected in the tearful eyes of Hope.

This publication is hopefully dedicated to tomorrow—its people and their happiness.

The 1969 Ayden High School football team began the season with a completely new coaching staff and except for a couple of regulars, a completely different team from the '68 State Champions. The opponents included many of the top small high school teams in the East, presenting certainly one of the most difficult schedules faced by any Ayden team. Losing four games early in the season by a total of 10 points, our boys faced the embarassing possibility of becoming the first Ayden team in quite some time to have a losing record. Three hard fought wins at the end of the season prevented this disaster. Although our boys did not have a record equal to previous years, they kept their pride, never gave up, and did well against difficult odds.
